Furthermore, Supplier will comply with any requests from BGIS to record and demonstrate the progress of the Services to allow BGIS to continuously compare actual performance with the progress required to satisfy BGIS's obligations under the Main Contract. - 19.2 Supplier shall provide such evidence as BGIS may reasonably require relating to the suitability and competence of any person employed by Supplier in the performance of the Services. BGIS shall have the right to require Supplier to provide a competent substitute for any person so employed who in BGIS’s opinion is incompetent, negligent or otherwise unsuitable. For the avoidance of doubt, should Supplier be unable to satisfy BGIS in their reasonable opinion that any person is suitable, then BGIS will have no alternative but to refuse entry and/or commencement of the Services and/or cease the progress of the Services. In these circumstances, BGIS shall not be responsible for any abortive or additional costs Supplier may incur as a result. Furthermore, should BGIS incur any costs, either itself or from third parties (including the Client), then such costs will be deducted from Supplier in accordance with clause 5.10.

In accordance with clause 5.10, BGIS shall be entitled to set off against any sums that are due to Supplier any amounts calculated in accordance with this clause 20.4 and any other amounts owed to BGIS by Supplier whether under the Contract or any other contract or order or arrangement between the parties.

- 21.4 BGIS undertakes to hold any information provided by Supplier in relation to this clause as confidential and not to make the information available to any third party, except for the Client, without the express written consent of Supplier. If the parties fail to agree on a remedial plan, either party may escalate the matter in accordance with the dispute resolution procedure outlined in Clause 27. If an audit demonstrates that Supplier is failing to comply with any of its obligations under the Contract or any specific Order, then, without prejudice to the other rights and remedies of BGIS, Supplier shall take the necessary steps to comply with its obligations at no additional cost to BGIS. If an audit demonstrates that Supplier has overcharged BGIS for the provision of the Services then, within 10 Business Days of such demonstration, Supplier shall pay to BGIS an amount equal to the amount so overcharged.

22.0 Step-in

- 22.1 BGIS at its sole discretion may, in lieu of giving notice of termination under clause 20.1(c), by written notice to Supplier remove from the scope of the Contract any portion or portions of the Services and may elect to either step-in itself or appoint third parties to complete and maintain such portion(s). In such event, BGIS may recover the reasonable costs associated with the step-in or appointment under this clause from monies otherwise due or becoming due to Supplier, or otherwise recovered as an outstanding debt to BGIS. Supplier shall have no right or claim against BGIS in respect of this clause.

23.0 Third Party Rights

- 23.1 No person who is not a party to the Contract shall have any rights under the Contract to enforce any term of the said Contract.

24.0 Assignment and Sub-Contracting

- 24.1 BGIS may at any time assign, transfer, charge or deal in any other manner with any of its rights or obligations under the Contract.
- 24.2 Supplier shall not assign, transfer, charge, hold on trust for another or deal in any other manner with any of its rights or obligations under the Contract, nor purport to do so.

24.3 Supplier shall not sub-contract, sub-let or otherwise delegate the performance of the Services without the prior written consent of BGIS. Such consent, if given, shall in no way relieve Supplier of its responsibilities under the Contract.

25.0 Severability

25.1 If any one or more provisions of the Contract shall be declared to be invalid or unenforceable in any respect, the validity and enforceability of the remaining provisions shall not as a result in any way be affected or impaired. However, if any provisions shall be adjudged to be void or ineffective but would be adjudged to be valid and effective if part of the wording were deleted or the scope or periods reduced, they shall apply with such modifications as may be necessary to make them valid and effective while adhering as closely as possible to the original intent, period and scope of the provisions and the parties hereby undertake to make such modifications.

26.0 Bribery and Corrupt Practices

26.1 Supplier represents, warrants and undertakes to BGIS and the Client or the affiliates of BGIS or the Client (for the purposes of this Clause 26, the “**Assured Parties**”) that neither it nor its officers, employees, agents, consultants, subcontractors or affiliates in connection with the Services or with any other business transactions with the Assured Parties, has made or shall make any payment or transfer anything of value, offer, promise or give a financial or other advantage or request, agree to receive or accept a financial or other advantage either directly or indirectly to: any government official or employee (including employees of a government corporation or public international organisation); any political party or candidate for public office; or any other person, if to do so would violate or cause the Assured Parties to be in violation of any applicable law.

26.2 It is the intention of the Assured Parties that in the course of the respective negotiations and performance of the Contract no payments or transfers of value, offers, promises or giving of any financial or other advantage or requests, agreements to receive or acceptances of any financial or other advantage shall be made either directly or indirectly which have the purpose or effect of public or commercial bribery or acceptance of or acquiescence in bribery, extortion, kickbacks, greasing or other unlawful or improper performance of any function or activity.

26.3 Supplier warrants that:

- (a) it is not a government official or affiliated with any government official;
- (b) it has not engaged and shall not engage in conduct in breach of the U.S. Foreign Corrupt Practices Act, the UK Bribery Act or other analogous applicable anti-bribery and corruption legislation (together the “**Bribery Laws**”);
- (c) it shall not violate or cause BGIS, the Client or an affiliate of BGIS or Client to violate the Bribery Laws;

26.4 Notwithstanding any other provisions to the contrary, the Assured Parties may suspend or terminate the Contract for material breach which is not capable of remedy in accordance with Clause 20.1(c) on becoming aware of information that gives it a factual basis to conclude that Supplier or any of its officers, employees, agents, consultants, subcontractors or affiliates has violated or caused the Assured Parties to violate the Bribery Laws. In the event of termination for such cause, the Assured Parties may withhold payment relating to the portion of the Services to which the conduct breaching the Bribery Laws relates and Supplier shall indemnify and hold harmless the Assured

Parties against any and all claims, demands, proceedings, damages, losses, liabilities, costs, charges and expenses (including professional fees on a full indemnity basis) of whatever nature incurred as a consequence of such breaching conduct.

27.0 Disputes

27.1 In the event of any dispute arising out of or in connection with the Contract, the following procedures shall apply:

- (a) in the first instance the matter shall be referred to the BGIS Business Unit Manager and Supplier's representative of equivalent status who shall use their reasonable endeavours to resolve such dispute promptly by negotiation.
- (b) in the event that the dispute is not resolved in accordance under clause 27.1(a) within 10 Working Days the dispute shall be referred to the senior representatives of each party.
- (c) Failing any agreement having been reached within a further period of 10 Working Days the parties shall seek settlement of the dispute by mediation in accordance with the LCIA Mediation Rules, which are deemed to be incorporated by reference into this clause.

28.0 Applicable Law

28.1 The Contract and these Conditions shall be governed by and interpreted in accordance with the laws of England and Wales.
